ABOUT GREETSTREET

Greet Street is a fit-out & art consultancy service.
Founded by Aoibhne Hogan in Dublin, Ireland.

We create & provide art for fit-out projects in:

- Lobby Art
- Luxury Apartment Blocks
- Build To Rent Sector
- Show Houses
- Private Homes
- Hospitality...& more.

An end-to-end service that takes the pain out art-sourcing. We listen, understand briefs, your clients & demographics,

Whatever your quantities or budgets are, we have your art!

WE'LL BEGIN WITH YOU AT TENDERING STAGE

...with personalised & exclusive artwork, fitting right into the Developers brief & vision. We present with initial art ideas, provide wall art mock-ups, we will colour-match your mood boards and find the perfect aesthetic solution.

We finish the job with stunning prints.

Are you looking for...

- top-end framed prints
- prints only
- or licensed artwork?

We understand budgets and that there are different levels of building developments. We provide the highest spec framed artwork for luxury touches and are just as happy to supply licensed artwork if you wish look after the printing and framing yourselves.

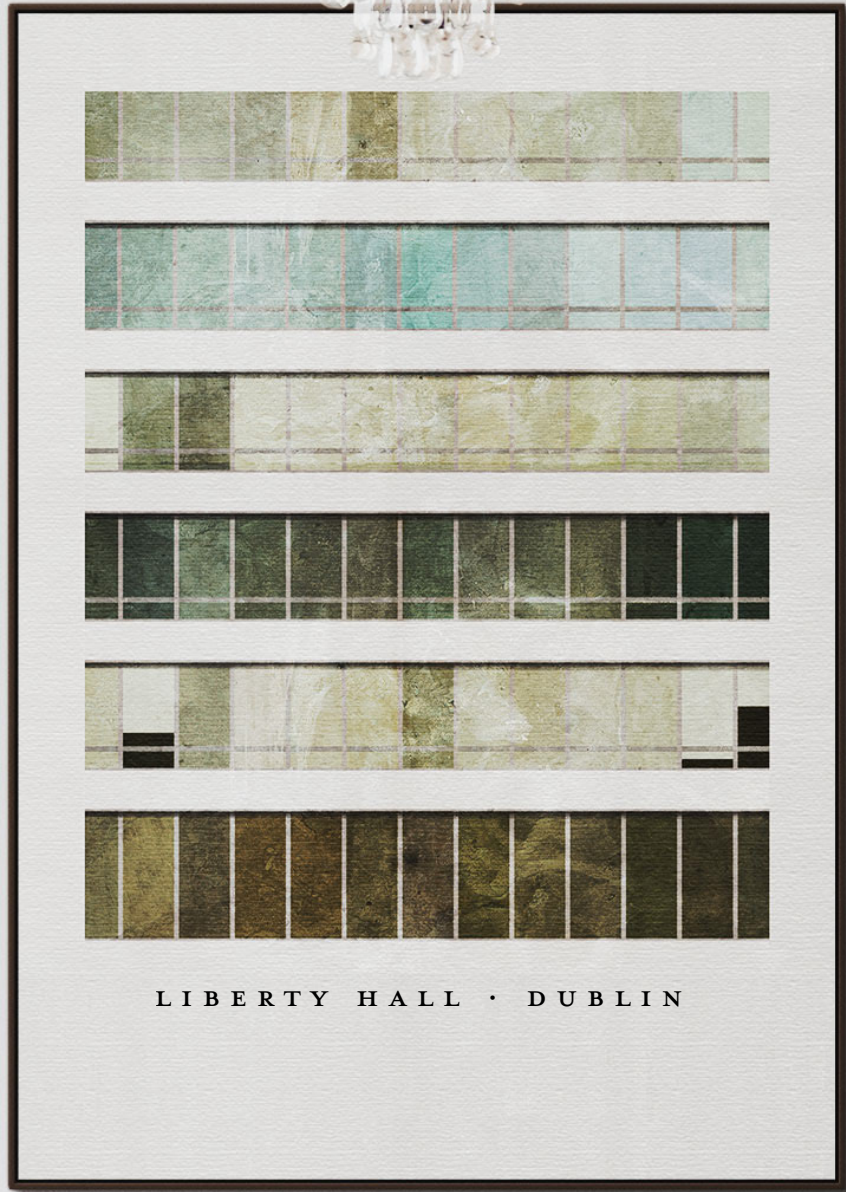

We will fit your needs.

LARGE SCALE LOBBY ART, RECREATIONAL & COMMON AREAS

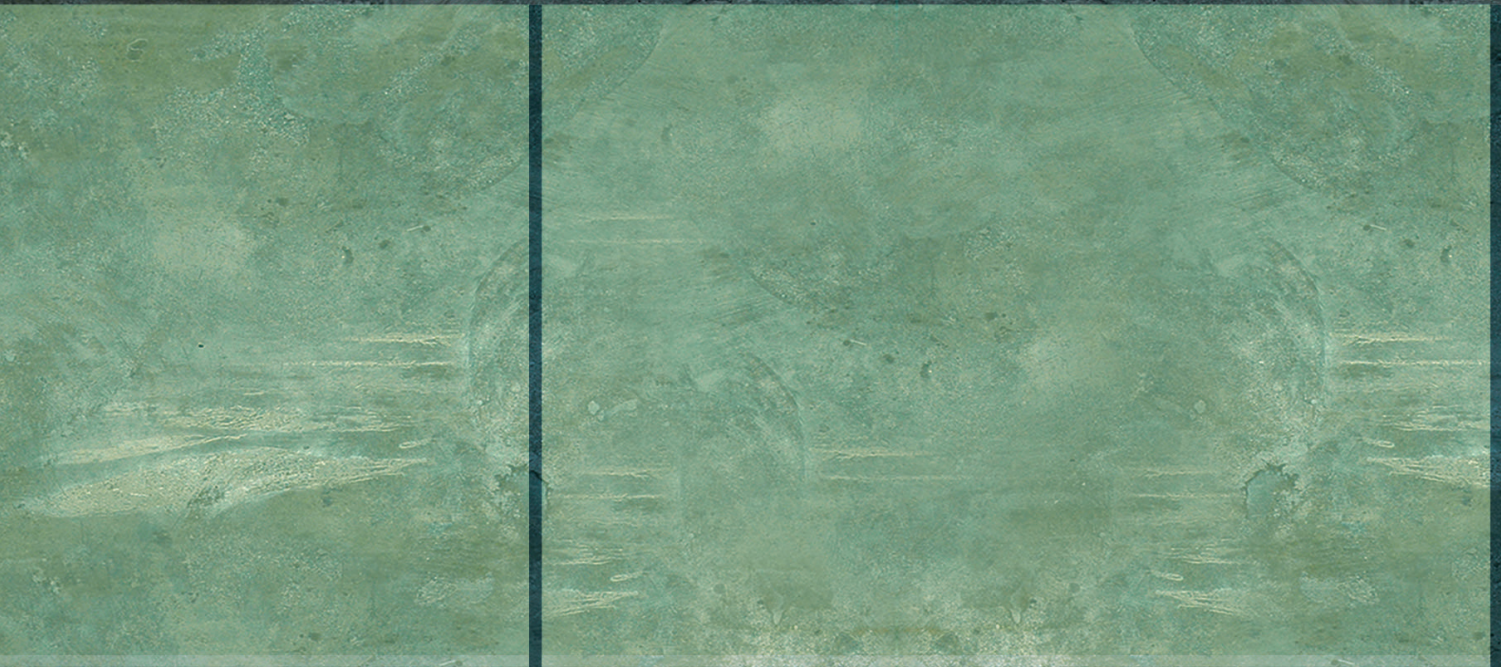

Greet Street offers creative and bespoke art and design solution that reflects your brand, themes and colour palette. We work from the early tender stages, with your mood boards and architectural plans. We can create and present you with a bespoke art print catalogue to choose from, we provide editing to make the art absolutely perfect to fit into the space.
